

PRIVATE FEES FOR SERVICES NOT PROVIDED UNDER THE NHS

The list of fees below is correct with effect from 1 October 2021

The Practice provides a range of services which fall outside of the National Health Service. These are charged either to the patient or to a third party such as an insurance company and are listed below. If you have any questions relating to these fees, please address them to your Doctor or the Patient Services Manager before requesting the service.

Patients must be registered with the Practice and the Patient's Medical Notes must be on site before booking any medical examinations.

Payment must be made in full before the service is provided.
